

# USER MANUAL

---

## DMP-3 Multi-Media player

---

Version 08.1a

Before connecting, operating or adjusting this product, please read these instructions completely. Please keep this manual of future reference.

Product and brand names mentioned in this manual are trademarks of registered trademarks of their respective holders.

Specification is subject to change without notice.

## Important Information

Please do not open or remove the cover plate because it may generate a high voltage shocking or other dangers.

Please do not precede the maintenance or repairing of this unit by yourself. Carefully read the instruction manual before use, and keep the manual for future reference.

*Please read and comply with all warnings, cautions, and the manual thoroughly. You might lose your warranty if you modify or revise this item in such a manner not approved by this manual.*

- AC cords enclosed in this product are for 110V or 220V.
- If any liquid or solid objects fall inside the cabinet, unplug the set immediately and have it checked by qualified service personnel before operating it again.
- Never add any attachments and/or equipments without approval of the manufacturer. Such additions can increase the risk of fire, electric shock, or other personal injury.

## Important Warnings and Safety Precautions

- Read instructions- all the safety and operating instructions should be read before the product is operated.
- Keep the safety and operating instructions for future reference.
- Never push objects of any kind into this product through openings as they may touch dangerous voltage points or short-out parts that could result in fire or electric shock. Never spill liquid of any kind on the product.
- Do not remove/insert the plug into the socket with wet hands in order to prevent electric shock.
- Do not overload wall outlets, extension cords, or integral convenience receptacles as this can result in a risk of fire or electric shock.
- Do not attempt to service this product by yourself as opening or removing covers may expose you to dangerous voltage or other hazards. Refer all services to qualified service personnel. The manufacturer will not be responsible for any injuries or damage caused to the product.
- AC cords should be routed so that they are not likely to be walked on or pinched by items placed upon or against them, pay attention particularly to cords at plugs, convenience receptacles, and the points where they exit from the product.
- Unplug the unit from the wall outlet before cleaning. Use a damp cloth; do not use liquid or aerosol cleaners. Please refer to the cleaning instruction.
- Do not place the product on an unstable cart, stand, tripod, bracket, or table where it may fall. A falling unit can cause serious injury to a child or adult and serious damage to the appliance. Follow the manufacturer's instructions when mounting the unit, and use a mounting accessory recommended by the manufacturer.
- The unit is designed with slots in the cabinet for ventilation to protect it from overheating. Do not block these openings with any object, and do not place this unit on a bed, sofa, rug, or other similar surfaces. Do not place it near a radiator or heat register.
- The plug provided by this unit will fit into the power outlet in only one way. If you are unable to insert the plug fully into the outlet, try reversing the plug. If the plug still does not fit, contact your electrician to replace your outlet.
- Use wall or ceiling mounts when mounting the product on a wall or ceiling, be sure to install the product according to the method recommended by the manufacturer.
- For safety reasons, do not leave children along with the unit. **DO NOT ALLOW CHILDREN TO CLIMB ON THE UNIT.**

# **1. INTRODUCTION**

## ***Product Description***

Thank you for choosing the DMP-3 Multi-Media Player and for your continued support and use of our products.

This compact media player allows you to play back high quality HD image for JPEG files as well as video files by scaler for video up conversion to achieve 1080i.

## ***Product Features***

- HD component output for 720p/1080i JPEG display.
- Scaler for video up-conversion to 720p/1080i.
- MPEG-4 simple profile video support.
- Support file format: Ware, AAC, MP3, WMA, BMP, TIFF, PNG, GIG JPEG, Progressive JPEG, Motion JPEG, MPEG-1, MPEG-2, MPEG-4.
- Built-in remote receiver, easy operation.
- Firmware can be upgraded by using flash memory card.
- NTSC/PAL encode with three video DACs for composite, YPbPr and RGB video output.
- Power-on play: automatically play.

## ***Package Contents***

Please check the package to make sure it contains the following items

DMP-3

Remote controller

AC Adaptor

YPbPr Cable

CVBS Cable (option)

User Manual

## ***Assembly and Connection***

CF card slot

IR Receive Power LED

Power switch

DC Input

VGA / YPbPr  
video output

CVBS output  
(option)

Audio output

## 2. SYSTEM SETUP

### *Remote Control function*

No	Key name	Description	Monitor Remote Control Unit
1		Turn off volume	
2	LEFT / MENU / RIGHT / EXIT	No function	
3	Output	Change video out mode
